Version 2021-01 // Update 02/19/21

Update Notes:	- Weather (WX) stations added
	- Kalepa AllStar temp stand-alone
	- Wicox now connected to KARC system and moved in list

List Notes: List starts with (0) this as some radio programming starts with (0) (Baofeng / Icom). Other radios will start with (1)
Weather (WX) stations for those w/o quick HT access or a WX radio
